

FINANCIAL AID EDUCATION PLAN FORM

An education plan is a quarter by quarter listing of the remaining **required** classes you plan to take in order to complete your degree or certificate. To see what remaining classes you need for your degree you will want to go to the online degree audit. To get a degree audit, go to www.centralia.edu and click on the Current Students/Logins link at the bottom of the page, then click the Get your grades/unofficial transcript link under the Grades & Transcripts section. You will need to know your student ID and your student PIN (usually your six digit birth date).
